THE EVENT:

The competition of the day is AMBROSE.

Groups of four players work as a team. Each player hits off the tee, the best shot is selected by the team captain or group decision and all other players pick up their ball and place it, within 1 club length, alongside the best ball. Each person then hits a second shot from the same spot. The best shot is again selected. This continues until the ball is in the hole. On the putting green the best ball is marked and the other balls are played from this position.

One score is thus recorded on each hole. This is the sum of the best shots used throughout the hole. This process is repeated until each hole is completed.

Each players tee shot must be used a minimum of THREE TIMES during the round and must be indicated in the card where each players tee shot was selected.

SCORING:

In a team of 4 golfers the combined handicap of all players is calculated and divided by 8 to arrive at the team handicap. This is then subtracted from the Gross Score of the Team to arrive at the Net Score.

All players must carry and use a sand bucket to repair divots
