CHILD SAFE POLICY

Rationale

Ministerial Order No. 870- *Child Safe Standards - Managing the risk of child abuse in schools* is a key part of the Government's response to the recommendations of the Victorian Parliamentary Inquiry into the Handling of Child Abuse by Religious and other Non-Government Organisations.

The Inquiry's *Betrayal of Trust* report made a number of recommendations aimed at protecting children from all forms of abuse and neglect. In particular, the *Betrayal of Trust* report recommended that the government implement minimum standards for maintaining 'child-safe environments' for all organisations with direct and regular contact with children. The Government released new minimum Child Safe Standards which aim to create child safe cultures and environments in organisations that work with children.

The child safe standards are as follows:

In complying with the child safe standards an applicable entity to which the standards apply must include the following principles as part of their response to each standard:

- promoting the cultural safety of Aboriginal and Torres Strait Islander children
- promoting the cultural safety of children from culturally and/or linguistically diverse backgrounds
- promoting the safety of children with disability.

To create and maintain a child safe school, the school developed and implemented the following:

- Standard 1:** *Strategies to embed an organisational culture of child safety, including through effective leadership arrangements.*
- Standard 2:** *A child safe policy or statement of commitment to child safety.*
- Standard 3:** *A code of conduct that establishes clear expectations for appropriate behaviour with children.*
- Standard 4:** *Screening, supervision, training and other human resources practices that reduce the risk of child abuse by new and existing personnel.*
- Standard 5:** *Processes for responding to and reporting suspected child abuse.*
- Standard 6:** *Strategies to identify and reduce or remove risks of child abuse.*
- Standard 7:** *Strategies to promote the participation and empowerment of children.*

St Margaret's Berwick Grammar is committed to the safety and wellbeing of children and young people. This policy consolidates a series of policies which have been developed and implemented by St Margaret's Berwick Grammar

All of our staff⁴ and volunteers must agree to abide by our *Responsible Behaviour Policy*, *Child Safe Policy* and *Child Safety Code of Conduct* (acceptable and unacceptable behaviour) which specifies the standards of conduct required when working with children. Relationship boundaries are carefully explained and staff are directed to avoid behaviours and actions which could place students and staff at risk of harm or of allegations of harm. *‘Teachers are always in a professional relationship with the students in their school, whether at school or not.’*⁵

All staff position descriptions include a statement concerning the staff member’s position in context, roles, responsibilities and accountabilities with respect to child protection.

Our Parents

Parents are informed of availability of all policies and procedures on enrolment. Parents also receive regular updates via newsletters and contribute to reviews and discussions of Childsafe policies and processes through various fora including Principal’s Morning Teas.

New employees and volunteers undergo a staff induction which emphasises duty of care, our commitment to child safety and that everyone has a role to play in protecting children from abuse, as well as checking that their behaviour towards children is safe and appropriate. Any inappropriate behaviour will be reported through appropriate channels, including the Department of Health and Human Services (DHHS) and Victoria Police, depending on the severity and urgency of the matter. Please refer to the school's *Child Protection and Mandatory Reporting Policy*. All staff are required to complete the online training module on *Protecting Children – Mandatory Reporting and Other Obligations*.

St Margaret's Berwick Grammar takes all reasonable steps to employ skilled people to work with children. Legislative responsibilities

Our organisation takes our legal responsibilities seriously, including:

- **Failure to disclose:** Reporting child sexual abuse is a community-wide responsibility. All adults in Victoria who have a reasonable belief that an adult has committed a sexual offence against a child under 16 have an obligation to report that information to the police

⁶ **Child connected work** means work authorised by the school governing authority and performed by an adult in a school environment while children are present or reasonably expected to be present.

- **Failure to protect:** People of authority in our organisation will commit an offence if they know of a substantial risk of child sexual abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so

We all have a responsibility to report an allegation of abuse if we have a reasonable belief that an incident took place.

If an adult has a **reasonable belief** that an incident has occurred, then they must report the incident. Factors contributing to reasonable belief may be:

- a child states they or someone they know has been abused (noting that sometimes the child may in fact be referring to themselves)
- behaviour consistent with that of an abuse victim is observed
- someone else has raised a suspicion of abuse but is unwilling to report it
- observing suspicious behaviour.
