

KEEPING PARENTS & STUDENTS SAFE DURING COVID-19

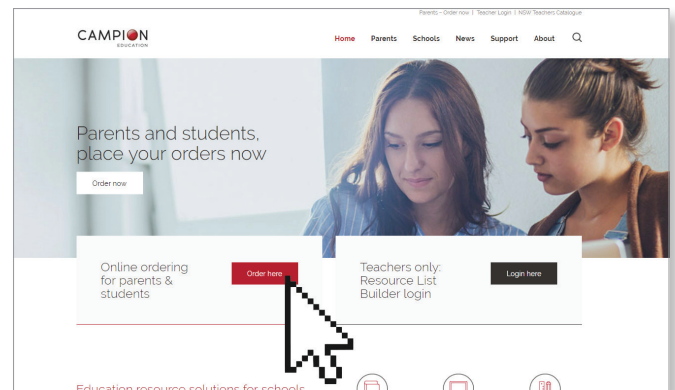

At Champion Education we are committed to providing a safe and secure environment for our customers and staff, to ensure their safety and well-being during this pandemic. This means some important changes to the way we normally do things.

Ordering Online Recommended

With limited numbers of customers allowed in our retail service centres this season, we expect some delays and wait times during peak times.

To avoid waiting, we highly recommend you purchase online as early as you can and have your products delivered to your home, work or post office.

To order online go to campion.com.au and click the red 'Order Here' button or click on this [link](#).
